

SPONSORSHIP OPPORTUNITIES

Since 2011, César Chávez Fútbol Academy (CCFA) has uplifted its community youth through soccer and academic support. CCFA proudly honors the name of the Academy's visionary, Cesar Chavez, who believed education and civic engagement built from the community up could transform systems and life outcomes for those who learn to think critically and engage with the world around them. After 8 years of hard work and dedication, CCFA has its first high school graduates and hopes to continue their mission by providing student scholarships.

Support student scholarships by sponsoring the first annual Cesar Chavez Futbol Academy (CCFA) Scholarship Dinner, held on Friday, April 6, 2018 at Palma School in Salinas, CA. The event will start at 6 PM.
